

## ***Registration of Electrical Repair Contractor***

### **Regulation 88. Electrical Repair Contractor.**

(1) No person shall, in the course of or in connection with or for the purposes of any trade, business or profession carried on by him, perform or carry out any checking, servicing or repair of any electrical appliance unless he holds a valid Certificate of Registration as an Electrical Repair Contractor issued under these Regulations.

(2) A Certificate of Registration as an Electrical Repair Contractor shall be in Form T as prescribed in the First Schedule and shall be valid for a period of not less than one year and not more than five years from the date of issue or renewal of the Certificate of Registration.

### **Regulation 89. Requirements for registration as an Electrical**

No Certificate of Registration as an Electrical Repair Contractor shall be issued or renewed unless the Commission is satisfied that—

(a) the person has registered his business under the Registration of Businesses Act 1956 [Act 197.] or is a company registered or incorporated under the Companies Act 1965 [Act 125.];

(b) the person employs on a full-time basis a skilled person with sufficient experience in the repair and service of electrical appliances, and nothing in this paragraph prohibits him to be the skilled person;

(c) the person has insurance coverage for his employees under the Employees' Social Security Act 1969; and

(d) the person is in possession of suitable equipment, testing equipment and instruments related to his work to be determined by the Commission.

### **Regulation 90. Information required for registration as an Electrical Repair Contractor.**

Before issuing or renewing a Certificate of Registration for an Electrical Repair Contractor, the Commission shall require the person to submit the following information:

(a) the names and addresses of all partners in the case of a registered partnership and of all directors, managers and shareholders in the case of a registered company;

(b) the premises rented or owned for carrying on the business; and

(c) any other information as the Commission deems necessary.

### **Regulation 91. Fee for Certificate of Registration as an Electrical Repair Contractor.**

A fee shall be paid for a Certificate of Registration as an Electrical Repair Contractor and renewal thereof at the rate prescribed in Part XI of the Second Schedule.
