

## ***Approval of Equipment***

### **Regulation 97. Certificate of Approval of equipment.**

(1) No person shall manufacture, import, display, sell or advertise—

(a) any domestic equipment;

(b) any equipment which is usually sold direct to the general public; or

(c) any equipment which does not require special skills in its operation.  
unless the equipment is approved by the Commission.

(2) A Certificate of Approval to manufacture, import, display, sell or advertise the equipment shall be in Forms V and W respectively as prescribed in the First Schedule.

(3) A processing fee of twenty ringgit shall be charged for an application for a Certificate of Approval of any equipment.

(4) A fee shall be paid for the Certificate of Approval in subregulation (2) and the renewal thereof at the rate prescribed in Part XIII of the Second Schedule.

### **Regulation 98. Marking or labelling of approved equipment.**

Where an equipment has been approved for manufacture, import, display, sale or advertisement by the Commission, the person to whom a Certificate of Approval has been issued under regulation 97 may be required by the Commission to mark or label the equipment and he shall do so in the manner to be determined by the Commission.

### **Regulation 99. Samples of equipment to be delivered to Commission.**

(1) Any application for a Certificate of Approval of any equipment referred to in regulation 97 shall be made to the Commission in the manner to be determined by the Commission.

(2) The applicant shall deliver to the Commission samples of the equipment in subregulation (1) and such other information in connection therewith, including drawings, photographs, pamphlets and technical literature, as the Commission may require.

(3) A sample delivered shall have attached or affixed thereto a label bearing the following particulars:

(a) the full name of the applicant;

(b) the nature of the equipment;

(c) the energy efficiency of the equipment; and

(d) the catalogue or type number of the manufacturer, or any other means of identifying the equipment.

(4) The Commission shall not be liable for any loss or damage caused to any equipment delivered under subregulation (2).

**Regulation 100. Test and modification before approval.**

(1) The Commission may cause one or more samples of the equipment in regulation 99 to be examined and tested.

(2) Where the Commission considers that the equipment examined and tested in subregulation (1) is likely to cause danger, the person applying for approval thereof shall modify or alter the equipment to suit the Commission's requirements before submitting any further samples thereof.

**Regulation 101. Submission for test and seizure of dangerous equipment.**

(1) The Commission may at any time by notice in writing require a person who manufactures, imports, displays, sells or advertises any equipment to deliver, within such time as may be specified in the notice, samples of the equipment for an examination and a test thereof.

(2) If any equipment is, in the opinion of the Commission, unsafe or dangerous or likely to become unsafe or dangerous to use, the Commission may prohibit the manufacture, import, display, advertisement or sale of the equipment and may direct the person in subregulation (1) to withdraw immediately all the equipment from use or sale and where necessary may seize and remove such equipment.

(3) The Commission shall not be liable for any loss or damage caused to any equipment delivered or seized and removed under subregulation (1) or (2), as the case may be.
