

BE ENERGY SMART

Keep away from danger and avoid wastage with good practices such as:

- ✓ Turn off all electrical and gas appliances when not in use.

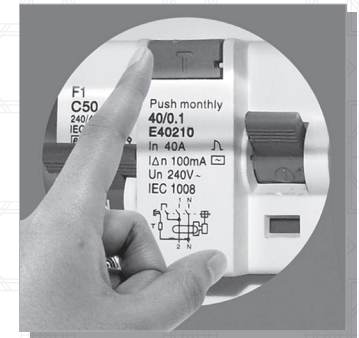

- ✓ Do not overload a socket outlet with multiple electrical appliances.

- ✓ Use electrical appliances that have ST-SIRIM safety label and energy efficiency label.

- ✓ Get the services of registered electrical and gas contractors for repairs and regular checks.

- ✓ Press the 'T' button on the automatic circuit breaker switch in your home once a month to ensure it functions satisfactorily.
