

Syawal mulia kembali tiba
Kesederhanaan dituntut daripada semua
Cekap dan selamat jangan dilupa
Jadilah Bijak Tenaga

- Turn off all electrical and gas appliances when not in use while entertaining guests and family.
- Do not overload a socket outlet with multiple electrical appliances.
- Use electrical appliances and decorative items that have ST-SIRIM safety label and energy efficiency label.
- Get the services of registered electrical and gas contractors for renovation, repairs and regular checks.
- Press the 'T' button on the automatic circuit breaker switch in your home once a month to ensure it functions satisfactorily.
