# USE GAS COOKER WITH **SIRIM-ST** LABEL

Buy and use gas cooker with SIRIM-ST label.

Always inspect gas cooker is in good condition without any gas leakages.

Make sure the colour of the flame is blue instead of yellow. Blue flame indicates a complete combustion, which is safe and cost saving.

Always manage the flame by adjusting the knob.  
**TURN OFF** when not in use.

**NEVER** leave the gas cooker unattended while cooking.

Clean the gas cooker after use and do daily maintenance if necessary.

★ Note: Liquefied Petroleum Gas (LPG) only.
